

Employee Training Institute

If your company needs to drive down costs, expand the talent within your workforce, and adapt to continuous improvement methods and processes, SCV's College of the Canyons Employee Training Institute (ETI) is an excellent choice for your training and development needs. ETI provides customized training in most technical skills and business topics such as Print Reading, Lean Manufacturing, Six Sigma, Project Management, Geometric Dimensioning & Tolerancing (GD&T), Supervisory Skills, Management and Leadership, and much more. Training classes are offered at your business site, or at one of several college training locations.

For more information, please contact John Milburn, ETI director at:
