

# The Center for Applied Competitive Technologies

The SCV's Center for Applied Competitive Technologies (CACT) works to advance the global competitiveness and innovation for advanced technology companies through responsive workforce training and technical consulting services. The CACT offers technology education and manufacturing training in the areas of Computer Aided Design (CAD), Computer Aided Manufacturing (CAM) and CNC machining. Additionally, CACT partners with the ETI in delivering Lean training and consulting.

For more information, please contact Michael Bastine, CACT Director at [Michael.bastine@canyons.edu](mailto:Michael.bastine@canyons.edu) or (661)362-3111
