

# SCVEDC 2017 Annual Report

**2,197**

Jobs

**171**

Business Assistance Projects

**50**

Board Members

2017 was another successful year for SCVEDC. We continued to attract new businesses and help local companies expand and grow. The Board of Directors remained at capacity and recognition of the organization's positive impact increased.

## BUSINESS ATTRACTION & EXPANSION

**31**

Companies

**73%**

Jobs Attracted/  
Retained were  
in Target  
Sectors

**14**

SCV  
Company  
Expansions

SCVEDC helped 31 companies with attraction/expansion needs, representing 2,197 jobs. 73% of these are in our target industry sectors! Notable this year was that nearly half of the companies were expansions of companies already in the SCV. It is a great testimony that these growing companies want to continue to operate in the SCV.

## BUSINESS ASSISTANCE

**94**

Unique  
Companies  
Visited

**>5400**

Jobs at  
Companies  
Visited

**84%**

In Target  
Sectors

SCVEDC continued to reach out to SCV businesses, with 94 unique company visits. These companies ranged in size and collectively represented over 5400 jobs in the SCV, the vast majority of which are in our target business sectors.

## ORGANIZATIONAL LEADERSHIP

**357**

Economic  
Outlook  
Registrants

**9**

Events

**47%**

Non-Public  
Funding

SCVEDC's Board remained at full capacity and continues to be regarded as the leading business group in SCV. Our private sector contributions match public sector, making SCVEDC a true public-private partnership.

SCVEDC provides an integrated approach to attracting, retaining and expanding a diversity of business in the SCV. Learn more at [www.scvedc.org](http://www.scvedc.org).
