

# Inspiro Strategic Plan 2019-2022

Inspiro is a welcoming, inclusive community health service that inspires people to live healthier lives by delivering affordable, accessible and sustainable health care to the Yarra Ranges community.

## Our Community

We will provide appropriate, relevant and valuable services to the Yarra Ranges community by:

- Working collaboratively with clients, partners and stakeholders
- Consulting with community representatives
- Building strategic partnerships with key organisations
- Utilising a wide referral network
- Making our facilities accessible, safe, welcoming, inclusive and culturally appropriate

## Our People

Our team of highly skilled, confident and capable professionals focus on:

- Fostering a positive culture of transparency, collaboration and accountability
- Attracting and retaining highly committed and skilled employees and volunteers
- Nurturing talent with recognition and development opportunities
- Cultivating future leaders within the organisation and the community

## Our Sustainability

We are committed to making a positive impact on the Yarra Ranges community now and in the future by:

- Providing high quality services in response to community need
- Diversifying funding sources to increase the range of services we provide
- Introducing systems that enable staff to spend more time with clients
- Reinvesting profits into areas that will provide long-term benefits to the community
