

Welcome to the first edition of the quarterly Inspiro Volunteer and Consumer Register Newsletter

We have created this publication specifically for those who currently, or may in future, volunteer with Inspiro or participate in our Consumer Register. In this short newsletter we aim to give you an overview of the current volunteer roles available and a number of items we are seeking consumer involvement or feedback on.

We highly value your participation, and welcome your feedback on this document. We will provide response to your feedback and comments in this newsletter.

Volunteer news

To all our volunteers, thank you for your time, effort and enthusiasm for Inspiro. We wouldn't be able to deliver our health services to the Yarra Ranges community without you. We are looking forward to joining you for a Christmas Lunch at Warran Glen Nursery on Thursday 3rd December.

Please RSVP if you have not yet responded to the invitation.

Consumer register news

The Inspiro consumer register was established in 2014 as a means to create a group of people willing to become more involved in reviewing and developing Inspiro services. In 2016 we would like to use this register for people more actively.

All members will soon be contacted by our Business Development Manager, David Furniss, to discuss future involvement.

We respectfully acknowledge the traditional custodians, the Wurundjeri people past and present of the Kulin Nation. We also pay respect to all Aboriginal Community Elders and people, past and present who have resided in the Eastern Metropolitan Region and have been an integral part of the history of this region.

Volunteer opportunities available

Mailout assistance

We have two large mailouts coming up and need help in stuffing envelopes and sticking address labels. Possible 1-2 days work.

Dental showbag packing

Our fantastic dental outreach team pack around 150 showbags each week for use in schools across the region. We would love any help with this, approx 2 hours per week whenever you are available.

Office administration

We would love someone to help with random office admin tasks one day per fortnight.

Consumer participation requested

Volunteer Committee Member

We have a volunteer committee which meets once per month for one hour. It would be great to have a volunteer or consumer sit on this committee.

Diabetes Clinic communication

We are starting a new service which will be like a one-stop-shop for diabetes services. We would like your participation and feedback in developing the communication for this service.

Consumer feedback requested

Welcome to Inspiro brochure draft

We are in the process of updating our major Service overview document and would like your feedback on how it looks.
