# Interlink

Our Interlink program provides a supported, social atmosphere for adults with an intellectual disability.

Participants can develop their physical, social and intellectual potential and further their independence.

Each term has a structured theme that is facilitated by Inspiro health professionals.

Outings to various locations for lunch, movies or activities chosen by the group.

Date	Each Wednesday
Time	10:00am – 3:00pm
Location	Kallista Community House Church Street, Kallista
Cost	\$70 per term (includes all craft, outing costs etc)

Participants require an occupational therapy assessment before commencing the program.

For more information or to make a referral to this program, please call Inspiro on 9738 8801.

Interlink is supported by funding from the Commonwealth and Victorian Governments under the HACC program.
