

A legacy of integrity.

The Exterior Portfolio® brand of Royal Building Products is recognized as the category leader in innovative exterior design products and tools for remodelers, contractors, architects, builders and homeowners. Exterior Portfolio is synonymous with category innovations like CraneBoard® Solid CoRe Siding®, Portsmouth™ Shake and Shingles and Architectural Essentials™ trim and accessories as well as cutting-edge marketing tools like the Dream Designer® online visualizer tool and Dream Designer Boards. Through Royal Building Products, the Exterior Portfolio brand continues to bring to market exterior design innovations that make a confident and creative statement.

Crown Molding

Accents to make your home complete.

Architectural Essentials™ are the decorative window and corner systems, trim boards, crown moldings and other details that pull your entire exterior together. Made to match the aesthetics, quality and efficiency of Exterior Portfolio®, its attractive, soft-brushed finish looks like real painted wood trim. Architectural Essentials cover every area of your home, providing the perfect final touch. Most Architectural Essentials Accessories are available in the same gorgeous Smart Styles color options as Market Square®. All are engineered to fit smoothly with any Market Square design style you choose.

Exterior Portfolio® is more than beautiful, long lasting exterior products for your home. We believe in a sustainable future for everyone. For you, this means a home made from environmentally preferred materials. For us, it means cladding products offering benefits such as durability and low maintenance. All of our products provide a long service life that requires no harmful finishes. Because our commitment to the environment stretches from our home to yours, we engineer sustainable benefits into our product development process through innovations such as our **SmartTrack**™ moisture management system and **Solid CoRe**™ insulation.
