

FUSO CANTER 3.5t

Price list

Exclusively from Mercedes-Benz

You get more for your money with the FUSO Canter 3.5t. More space – in the cab and in the back – more choice and more flexibility. A neat 2 metre cab width means Canter goes anywhere a van can, and with a tighter turning circle and better visibility than most vans, it's just as easy to drive and park.

As part of the Mercedes-Benz family, FUSO gives you access to a national service and support network, round the clock and 365 days a year.
