

Capability Statement

ABOUT US

For those who are currently involved in IT or desire to become involved with the industry, TrainACE is the established and award-winning training organization that provides excellent customer experiences, unbeatable prices, and high-quality training. We have a long-standing history of customer satisfaction as evidenced by our online reviews, and we pride ourselves on being able to provide top-quality education.

TrainACE was founded in Greenbelt, MD in 2001 by Ralph Sita, Jr. CPA, and it has grown since then to become one of the most highly-respected IT training organizations in the industry. We are proud to be an American small business.

TrainACE has three training locations in the D.C. Metro area: Greenbelt, Maryland, Ashburn, Virginia and Fort Meade in Hanover, Maryland. We also offer online and custom-onsite training.

PAST PERFORMANCE

TrainACE delivered training to 200+ students in past two years to ONI, as their preferred IT training partner.

TrainACE is a preferred training partner for the Silver Eagle contract.

TrainACE is a preferred training provider to N2Grate

TrainACE delivered Cybersecurity training to 25 personnel from NSWCDD in June 2017.

TrainACE has been a main training provider for NCWDG personnel.

TrainACE delivered training to 300+ students in past two years to CSRA, as their preferred IT training partner.

Since 2013, TrainACE has been the preferred IT training partner for 704 MI BDE.

TRAINING PARTNERSHIPS

TrainACE is a proud CompTIA training partner and we have been recognized as one of their leading quality training partners. Additionally, TrainACE is an EC Council and a Microsoft training partner. In order to gain these approvals, programs must be comprehensive, current and undergo annual rigorous scrutiny. Instructors are also obligated to maintain annual train the trainer hours and certain certification maintenance and upkeep.

EASILY ACCESSIBLE TRAINING LOCATIONS

Our well-equipped training centers are easily accessible by road and public transport. We provide breakfast and snacks, with access to dining areas, refrigerators, and microwaves. All our centers are close to a range of eateries and supermarkets for those who wish to dine out.

We are also an Authorized Pearson Vue Center.
