

Bore Pump Pontoons

OVERVIEW

Coerco Bore Pump Pontoons are designed and engineered for floating bore pumps in the application of pumping water from dams, ponds or open pits.

FEATURES

- Manufactured from High Density Polyethylene
- All Poly Construction
- UV and Chemical Resistant
- Light Weight Design
- Custom Designs Available

Bore Pump Pontoon

SPECIFICATIONS

Specification Summary

Supply and install of Coerco Bore Pump Pontoon are as per manufacturer Coerco Pty Ltd recommendations.

System Applications

Coerco Bore Pump Pontoon are designed and engineered for floating bore pumps in the application of pumping water from dams, ponds or open pits.

Materials

Coerco Bore Pump Pontoon are manufactured from quality high density polyethylene. HDPE pipe is manufactured to AS/NZS 4130 and all HDPE sheet is batch tested and complies with industry standards.

WARRANTY

Warranty

Coerco Bore Pump Pontoon are manufactured to the highest quality standards using Australian Made Materials. Our Bore Pump Pontoon are covered by manufacturer's warranty. Please refer to Section 1.22 in the Coerco Warranty Conditions for more information.

Inspection & Maintenance

Coerco recommends visual inspection for any damage or loose fixings is recommended periodically and prior to use.

Maintenance should be carried out by competent personnel. Basic wear and tear preventative maintenance is recommended.

COMPLIANCE

Compliance

HDPE extrusion welded poly pipe complies with AS/NZS 4130.

HDPE sheet is batch tested and complies with industry standards. (material certifications and test reports available).

Important Note

Failure to supply and/or install product in accordance with above specification and installation/usage guidelines voids complete system certification and/or warranty

Bore Pump Pontoons

Features include

- Manufactured from HDPE
- All Poly Construction
- UV and Chemical Resistant
- Lightweight
- Custom Designs Available

Poly Pontoons

| Code | Description |
|------------|--|
| PNT-P-100 | All poly pontoon to support 100kg bore pump |
| PNT-P-200 | All poly pontoon to support 200kg bore pump |
| PNT-P-400 | All poly pontoon to support 400kg bore pump |
| PNT-P-600 | All poly pontoon to support 600kg bore pump |
| PNT-P-800 | All poly pontoon to support 800kg bore pump |
| PNT-P-1000 | All poly pontoon to support 1000kg bore pump |

Custom Build to Suit Vertical
Bore Pump

With Pump Shroud
(Optional Extra)

With Skid Legs
(Optional Extra)
