Fuel economy

Urban	57.6 mpg*	56.5 mpg*
Extra urban	N/A mpg*	TBA mpg*
Combined	166.2 mpg*	156.9 mpg*

*This information should be used for illustration purposes only. Standard EU Test figures for comparative purposes, may not reflect real driving results.

[^]The 'combined/weighted' fuel consumption / CO2 figures are calculated from two test results: one when the high voltage battery is fully charged and another when the high voltage battery is discharged. The two results are a weighted average, taking into account mileage range on battery power only, providing a figure in a variety of charge conditions. Extended range achieved by 1.4 TSI petrol engine generating electricity. Fuel consumption and CO2 emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. Electricity is mains sourced and emissions are while driving. More information is available at www.dft.gov.uk/vca.

† Some Volkswagen diesel engines are AdBlue. AdBlue is a water / urea based additive that cleans exhaust gases to comply with EU6 exhaust emissions regulations. AdBlue will need to be topped up but frequency will be dependent on mileage and driving style. AdBlue top-ups at authorised repairers are extremely competitive and charge by the litre so you only pay for what you need.

The specifications contained in this brochure are for information purposes only and are subject to change.

Your

Standard technologies

Here are some of the clever technologies that are standard in some of your configurations. Find out more by following the links where available.

♥ Adaptive Cruise Control (ACC)

Adaptive Cruise Control keeps your car at a safe distance from the vehicle in front.

<https://youtu.be/uJmYVrEFIFQ>

♥ Ambient Lighting

Create a stylish atmosphere inside your car.

https://youtu.be/-7ak4Ji_Xnk

♥ Auto Hold

An extension of our electronic parking brake system that stops your car accidentally rolling back if you stop on a hill.

https://youtu.be/PjrPK7ECD_0

Car-Net

Car-Net refers to everything related to in-car internet connectivity in Volkswagen vehicles.

<https://youtu.be/NdqxvPxsOgQ>

Car-Net

Car-Net refers to everything related to in-car internet connectivity in Volkswagen vehicles.

<https://youtu.be/NdqxvPxsOgQ>

♥ Chilled Glove Box

Celebrate year-round picnicking with our neat storage solutions and chilled glove box.

<https://youtu.be/dmlbI5oNPhc>

Your

Standard technologies (cont)

Here are some of the clever technologies that are standard in some of your configurations. Find out more by following the links where available.

♥ City Emergency Braking

The City Emergency Braking system is an innovative safety technology.

<https://youtu.be/SITCsd56bXM>

♥ Climate control

Fully automatic two-zone climate control lets you set different temperatures for the driver and front passenger areas of your car.

<https://youtu.be/rfxdHWkmeCE>

Driver Alert System

Our new Driver Alert System gives early warning of when you need to take a break on long and tiring journeys, making motorway driving safer.

<https://youtu.be/WqR3YbjxyS0>

♥ DSG

Our dual-clutch gearboxes offer the ease of an automatic with the responsiveness and economy of a manual.

<https://youtu.be/ILGxWLIxYGO>

♥ Electronic Parking Brake

Lets you park quickly and easily - at the touch of a button.

<https://youtu.be/lhvaZ-pSWDI>

♥ ESC

Our advanced Electronic Stability Control detects critical situations to stop skidding before it begins.

<https://youtu.be/jpGLRf2NU3w>

Your

Standard technologies (cont)

Here are some of the clever technologies that are standard in some of your configurations. Find out more by following the links where available.

♥ Home Safe Lights

The 'coming home' and 'leaving home' functions are designed to improve your convenience and comfort.

<https://youtu.be/5VsJEJAZwGE>

♥ Isofix child seat fixings

Your child's safety is a priority - for us, as well as for you. That's why we use Isofix child seat fixings in all our cars.

<https://youtu.be/TBSd5NL07LU>

♥ Misfuel Prevention device

Prevents you from putting in the wrong fuel into your Volkswagen.

<https://youtu.be/qLAFtZgqAx4>

♥ Parking Sensors

Parking sensors make reversing into tricky spaces easier and help prevent minor damage to your car.

https://youtu.be/kxsuv_t5XIY

♥ Rain Sensor

The rain sensors automatically regulate the frequency of your windscreen wipers, according to how heavily it is raining.

https://youtu.be/ZamXRhwe_lk

♥ Start/Stop Technology

We think that sitting in traffic is bad enough without knowing that you have to pay for it too. That's why we created Start/Stop Technology, a really simple way of helping you to save money whenever you come to a stop.

<https://youtu.be/xHOvyQu57cc>
