VED	£0

Fuel economy

Urban	N/A mpg*
Extra urban	N/A mpg*
Combined	N/A mpg*

† Some Volkswagen diesel engines are AdBlue. AdBlue is a water / urea based additive that cleans exhaust gases to comply with EU6 exhaust emissions regulations. AdBlue will need to be topped up but frequency will be dependent on mileage and driving style. AdBlue top-ups at authorised repairers are extremely competitive and charge by the litre so you only pay for what you need.

The specifications contained in this brochure are for information purposes only and are subject to change.

Your

Standard technologies

Here are some of the clever technologies that are standard in your configuration. Find out more by following the links where available.

♥ Ambient Lighting

1

Create a stylish atmosphere inside your car.

https://youtu.be/-7ak4Ji_Xnk

BlueMotion Technologies

1

Lower emissions, greater economy.

♥ Chilled Glove Box

1

Celebrate year-round picnicking with our neat storage solutions and chilled glove box.

<https://youtu.be/dmlbl5oNPhc>

Cruise Control

1

Automatically keeps your car moving at a safe, constant speed.

<https://youtu.be/02Yo1OA4VC0>

♥ ESC

1

Our advanced Electronic Stability Control detects critical situations to stop skidding before it begins.

<https://youtu.be/jpGLRf2NU3w>

♥ Home Safe Lights

1

The 'coming home' and 'leaving home' functions are designed to improve your convenience and comfort.

<https://youtu.be/5VsJEJAZwGE>

Your

Standard technologies (cont)

Here are some of the clever technologies that are standard in your configuration. Find out more by following the links where available.

♥ Isofix child seat fixings

1

Your child's safety is a priority - for us, as well as for you. That's why we use Isofix child seat fixings in all our cars.

<https://youtu.be/TBSd5NL07LU>

♥ Parking Sensors

1

Parking sensors make reversing into tricky spaces easier and help prevent minor damage to your car.

https://youtu.be/kxsuv_t5XIY

♥ Start/Stop Technology

1

We think that sitting in traffic is bad enough without knowing that you have to pay for it too. That's why we created Start/Stop Technology, a really simple way of helping you to save money whenever you come to a stop.

<https://youtu.be/xHOvyQu57cc>

Volkswagen Service Plan

1

Our range of Volkswagen Service and Maintenance Plans allow us to take really good care of your Volkswagen whilst keeping your aftercare cost affordable and predictable.

•

♥ Rear view camera

1

£160

Displayed via the vehicles audio system display

♥ Hub cover - black, chrome finish

1

£51

High-quality hub cover with the embossed Volkswagen logo. Can be used with all up! series wheels. 1 set = 4 pieces. Designed for customer fitting.

♥ Wheel trim - silver

1

£51

The 14 inch wheel trim with Volkswagen emblem protects the steel wheel against dirt and enhances the vehicle's appearance. 1 set = 4 pieces. Designed for customer fitting.

♥ Safety kit

1

£21.5

An important travel companion no matter what country you're in. Consists of easy to fold warning triangle, hi-visibility vests and a first aid bag. Conveniently packed in a washable fabric bag with loops for secure storage.

♥ Volkswagen G1 ISOFIX DUO Plus Child Seat

1

£305

The G1 ISOFIX Duo Plus provides optimum protection and comfort for children from eight months to about four years (9-18kg). As a practical feature, the seat can be used in any vehicle fitted with 'top-tether' fixing points, and the height of the full safety harness can be conveniently adjusted. The covers are both easy to remove and washable. Made of flame retardant material featuring a Volkswagen roundel.

♥ Door wind reflectors (5-door)

1

£81

The door wind deflector (For Four door variant) performs several useful tasks such as offering protection against glare from sunlight. Useful when raining to keep ventilation going through the vehicle preventing condensation build up. In addition, they enable draught-free ventilation into the passenger area.

♥ Luggage compartment liner - for vehicles with the basic load surface

1

£41

Protection in a light and flexible form: the anti-slip liner is designed to perfectly fit the shape of the luggage compartment and to reliably protect it. Designed for customer fitting.

♥ Luggage compartment liner - for vehicles with variable load surface

1

£41

Protection in a light and flexible form: the anti-slip liner is designed to perfectly fit the shape of the luggage compartment and to reliably protect it. Designed for customer fitting.

♥ Luxury carpet mat set - 4 pieces

1

£77

Protect your interior with a more luxurious feel, with a deeper pile carpet and up! branding. Made of durable thickly-woven velour and secure stud fixing to prevent slipping. 1 set = 4 pieces. Designed for customer fitting.

♥ Mudflaps - front

1

£66

Protect your own vehicle and the one behind you against dirt being thrown up, dangerous stone chippings and spray water with these extremely sturdy mudflaps. Fully fitted.

♥ Mudflaps - rear

1

£67

Protect your own vehicle and the one behind you against dirt being thrown up, dangerous stone chippings and spray water with these extremely sturdy mudflaps. Fully fitted.

♥ Rubber floor mats - front - black

1

£45

These durable and long lasting rubber floor mats protect the vehicle interior from dirt and moisture. They are shaped to fit with a non slip underside. Easy to clean. Fastening points prevent slipping and turning for increased safety. Designed for customer fitting.

♥ Rubber floor mats - rear - black

1

£41

These durable and long lasting rubber floor mats protect the vehicle interior from dirt and moisture. They are shaped to fit with a non slip underside. Easy to clean. Fastening points prevent slipping and turning for increased safety. Designed for customer fitting.

♥ winter car care kit

1

£20

Contents: Anti-freeze (500 ml), Ice scraper, De-icer (500 ml), Rubber care (75 ml)

♥ Door sill trim - steel (5-door)

1

£135

An eye-catcher when getting in: The top-quality stainless steel sill protectors with the up! lettering protect the entry area and customise the appearance of your vehicle.

♥ Kayak holder

1

£95

Developed specially for transporting kayaks weighing up to 25kg. It carries 1 kayak conveniently, safely and securely on the roof bars, without any sliding or wobbling.

♥ Rear roof spoiler

1

£250

The Volkswagen Genuine roof edge spoiler made of especially robust, impact-resistant plastic which rounds off the tail end of the up! and helps to withstand even the toughest demands. It is primed and ready for painting in the vehicle colour. (Gloss Black on Rock up!) Price excludes painting & fitting.

♥ Side skirt set

1

£375

The impression of lowered suspension for your up! Made of durable and high-quality plastic, the side skirts are also impact-resistant. Both side skirts are primed and ready for painting in the vehicle colour. Price excludes painting and fitting.

♥ THIS SIDE up! decorative film - black

1

£153

Completely clear and unmistakably up! The 'THIS SIDE up!' film for the roof leaves no room for questions. Especially when it comes to questions of style. A striking presence, a striking look-typically up!

♥ Bicycle holder

1

£85

Keep your bike safe and secure using this easy to fit bicycle carrier, made from matt chrome plated steel. It attaches to the existing genuine roof bars of your vehicle and can carry one bicycle safely and securely. The bicycle holder is City-Crash tested and lockable for extra peace of mind and what's more you can still access the boot for added convenience. Roof rack required, not included with this item. Fully fitted.
