

Procedure for Unattended Children at the KU Edwards Campus

An adult must accompany children below the age of 14 on the KU Edwards Campus. Children and other visitors are not allowed in classes at the Edwards Campus without prior permission from the instructor.

- If someone reports that a child appears to be unattended by an adult, Public Safety will be notified.
- Public Safety will go to the child and try to locate the parent or responsible adult. If an adult is located, Public Safety will communicate to the adult that children below the age of 14 cannot be left unattended. If the adult wants to take the child into the classroom, the instructor must agree to it.
- If the parent cannot be located, Public Safety will use the calling tree to contact an administrator.
- The Overland Park Police Department would only be called if a responsible adult cannot be located.
