

The Bates LTPI™ Assessment

What is it?

CULTURE	CREDIBILITY	COLLABORATION
Candor	Enterprise Focus	Commitment
Trust	Courage	Coordination
Support	Resilience	Belonging
Both/And Thinking	Awareness	Communication
Curiosity	Shared Vision	Decision Savvy

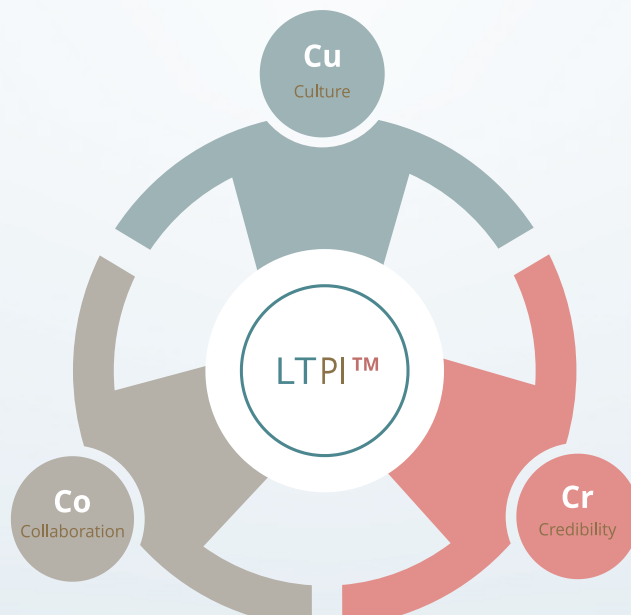

The Bates LTPI™ (Leadership Team Performance Index) provides teams and their leaders keen insights into essential behaviors that typify today's high performing teams. This new model and assessment draw on the latest research on global teams as well as tried and true, proven tenets of great team performance.

What is a high performing team?

A high performing team sets free the genius of its members to create the extraordinary together.

The Three Dimensions of the LTPI™

The Bates LTPI™ evaluates the team as a group, through the lens of a multi-rater survey (360), where each team member evaluates the team “as a whole” across 15 distinct facets of the three dimensions.
