

INFORMATION TECHNOLOGY MANAGEMENT

TO COMPLETE ASSESSMENT: 1. Put a check mark by the areas you are doing today. 2. Write the name of the person on staff who is responsible for each area. 3. Rate how well the objectives of this area are being met on a scale from 1 to 5, 5 being the best. 4. Write '2017' for the areas where you have initiatives for 2017. 5. Highlight areas that are blank or you scored yourself a 1 or 2; these are great places to start with outside expertise. 6. Review your assessment with a Loffler IT Solutions expert. **Visit info.loffler.com/ftassessment or call 952.925.6800**
