

# SEEKING A ROCKSTAR MIDDLE SCHOOL *teacher*

## WHO WE ARE:

Pup Charter Academy is a K-8 puppy charter school located in Dog City, MI. Our mission is to cultivate young pups into global citizens and leaders, using a personalized approach to help them grow and shine in their unique way. In our school, we live by these three guiding values:

### WE'RE INCLUSIVE.

We embrace differences and thrive on diversity. The faces and spirits that walk our hallways come from different dog houses, enjoy different kibbles, and celebrate different pup games - and we LOVE it.

### WE'RE RELENTLESS.

Every pup faces unique challenges and talents. We're committed to ensuring 100% of our pups have the support & tools they need to succeed, and no one is left behind.

### WE'RE PROFESSIONALS.

Educating pups is no walk in the park - pun intended! We believe in the creative spirit and talent of all our teachers, and we support them to take risks, try new things & grow.
