

BUYING A NEW CONSTRUCTION: A TIMELINE

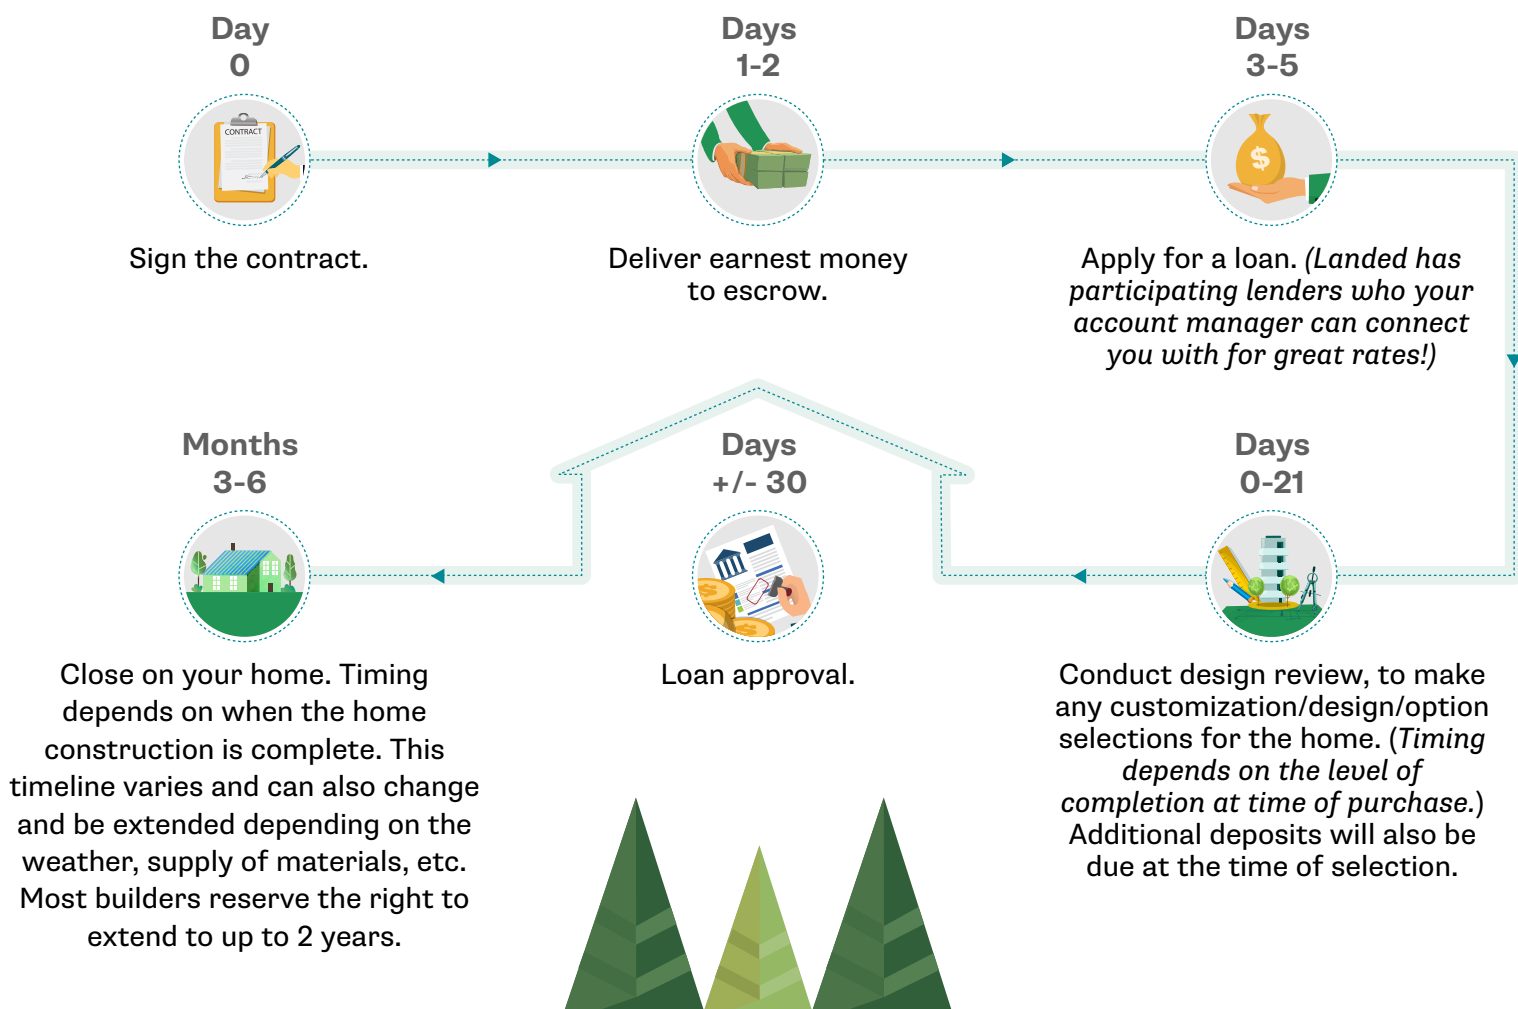

While most steps for buying a new construction are similar to buying a pre-existing home, we wanted to highlight some pieces that can be slightly different. This is what the process will typically look like when buying a new construction with Landed down payment support.

Pre-purchase: Key Steps

Post-purchase: Example Timeline

Note: The timeline listed above is general and your own timeline will vary. Have your agent work with your builder to get a more accurate timeline for your property.
