

# SOLAR PRODUCTION GUARANTEED

Warranties are boring. We get it. But when it comes to solar power, it's important to feel confident that you're receiving the performance and savings you were promised.

Our extensive and unique warranties are a reflection of our faith in our work, the equipment we install, and our estimate of your production, which, unlike some installers, we won't overstate to win your business.

## 2 WAYS SOLAR PAYS YOU BACK

Free energy from the sun  
with real monetary value

Performance-based Incentives  
(or green income)

## PERFORMANCE WARRANTY

We're the only solar provider in the region that will pay you for both loss of production\* and state incentives.\*\*

## HOW IT WORKS

Every year we monitor your system's performance.

If it doesn't match our promise, we pay back the difference.

You'll get a check for both production and green income loss.
