

## MICROSOFT DYNAMICS 365 BUSINESS CENTRAL

### Remote Deployment Option

- > Benefit from a simplified, remote deployment approach
- > Ensure your business requirements are met
- > Realize ROI through low cost, fixed fee implementation

Your ERP is the nexus to keep your business organized, go with Microsoft Dynamics 365 Business Central and make the process as quick, seamless and simple as possible? We know just how to make that happen.

### Get Up and Running Quickly and Affordably

#### WHO ARE Services-365?

We bring a team of Dynamics 365 Business Central onboarding specialists to guide you through the process of quickly migrating your ERP with a simple, remote and cost-friendly method to minimize your downtime and maximize your results.

**Implementation starting at \$5,000 for 5 users**

#### WHY IS FIXED-BID YOUR BEST OPTION?

With our fixed-bid deployment you can rest assured that there are going to be no hidden arbitrary costs or time-dependent cost sinkholes. Our deployment is rooted in our ever-growing price-listed modules meaning you can select the modules relevant to your business and avoid the pitfalls of over-pricing and overcomplications. Each of our 27 modules use a detailed price list accompanied by a well-defined scope. This means, whether it is "Business Central – Finance Pack", "Business Central - Foundation Pack", Production Basics, Distribution Basics or any of our other great modules and combination thereof, you know EXACTLY what you are getting.

#### HOW IS OUR DEPLOYMENT SUPERIOR?

We use a remote deployment approach for your advantage. This means we can work within your busy schedule without needing to be on-site which gives us unparalleled flexibility and accommodation to YOU as a customer. With Business Central online solution becoming the preferred deployment, the time has never been better to take advantage of migrating your ERP in a quick and simple fashion.

#### WHAT ABOUT AFTER DEPLOYMENT?

After the initial onboarding is complete you access UNLIMITED support through our dedicated email and phone line to assist with any questions that may arise during your day to day operations. With our onboarding specialists available to you even after deployment, you can be rest assured that your productivity is never in peril and the resolution is waiting at your fingertips.
