EC-CERTIFICATE OF CONFORMITY

0086-CPD-559065

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

Guardian Mortice Night Latch

as detailed on the Supplementary Information Sheet; the intended use with an appropriate door closing device on fire and/or smoke control doors on escape routes, to fulfil the self-closing requirement of such doors, and thereafter to ensure that the door remains shut

placed on the market by and produced in the factory

Guardian Lock & Engineering Company Ltd
Imperial Works, Wednesfield Road, Willenhall, WV13 1AL
United Kingdom

is submitted by the manufacturer to a factory production control and to further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body – BSI Product Services - has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in the Annex ZA of the standard

EN 12209: 2003

were applied and that the product fulfils all the prescribed requirements.

For and on behalf of the British Standards Institution, a Notified Body for the above Directive (Notified Body Number 0086):

David Ford, Director, Healthcare and Testing Services

Date 09 February 2010

This certificate first issued 21st November 2008

This certificate remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory product control itself are not modified significantly.

The British Standards Institution is incorporated by Royal Charter.
