

ENDLESS SUMMER

VSAT PROMOTION

THE CRITICAL COMMUNICATIONS COMPANY

ENJOY ENDLESS OPPORTUNITIES AND UNLIMITED DATA WITH SPEEDCAST ATLAS VSAT THIS SUMMER!

Now through the end of 2018, all new Speedcast Atlas activations will benefit from one of our two summer promotions of extended airtime and unlimited data:

Quota Promotion

Speedcast Atlas Quota Plans deliver unparalleled quality airtime packages of up to 30 GB per vessel, or pooled options across your fleet up to 100 GB — all with dedicated CIR to each vessel! Now, all new Speedcast Atlas Quota activations can enjoy unlimited throughput for six months without any restrictions on GB usage, so your summer data is endless.

- Available on select Quota Plans and Fleet Quota Plans on 36 month contracts
- After the first six months of unlimited usage, enjoy the power of your selected Quota package with top-up options
- Sign up by 30 September 2018 and install by end of the year
- Packages are limited, so act now!

Double Bandwidth Promotion

Speedcast is doubling the bandwidth on three of our most popular packages this summer — Speedcast Atlas Guaranteed, Burst and Professional plans — to celebrate their success! We will deliver double the committed speeds on all new activations through the remainder of the year.

- Available on all Speedcast Atlas VSAT packages on Guaranteed, Burst and Professional Plans signed by 30 September 2018 and installed by the end of the year
- 12 month contracts will enjoy double the CIR for the first three months from activation
- 36 month contracts will have double the committed bandwidth through the remainder of 2018
