

STOP

Help Keep COVID-19 From Spreading

- Do you have a fever, cough, or shortness of breath?
- Have you had close contact with a person who may have COVID-19?
- Have you traveled in the past 14 days?

NO TO ALL

Please go to the reception area.

YES TO ANY

Please **DO NOT** enter the office.

Call us at
from your vehicle or another
place away from the entrance.
Staff will provide further instructions.

Why do I need to call if I'm already here?

This office has special procedures for patients who may have COVID-19 to see a doctor at an appropriate time and place, while reducing risk of spread to others.

Please follow staff instructions given by phone.

We greatly appreciate - and insist - on your cooperation.
