

TEMENOS VISION AGILITY MODEL

Temenos, LLC is a boutique Organizational Development consulting firm dedicated to the research and application of deep Organizational and Personal Transformation approaches and tools. These methods, models and tools are rooted in Organizational Development, Systems Thinking, Jungian Psychology, Agile and other transformation processes.

The flagship product of the company is the unique **Temenos Vision Lab** that has been successfully adopted at several large and small firms that were searching for simple yet powerful, pragmatic and profound ways to access their collective and compelling Shared Visions.
