

Fabricator

1st Shift

Metal Fab Solutions, a growing, family-owned metal fabrication company in Green Bay, is seeking a Full Time Fabricator. This position will be responsible for laying out, cutting, fitting and measuring metal parts to meet customer specification(s).

Qualified candidates must have basic math skills, mechanical aptitude and the ability to use a variety of tools and equipment, such as band saw, drill presses, etc. in a safe and efficient manner.

Hours will be Monday through Thursday from 5:00 am to 3:00 pm, with overtime as necessary.

MFS employees enjoy a culture of appreciation within a family atmosphere. Employees will be eligible for health insurance reimbursement, a retirement savings plan, paid vacation and holidays along with other company-sponsored benefits. The pay range for this position is \$14.00-\$17.00 per hour.

Metal Fab Solutions is located at 3261 Spirit Way, Green Bay, WI.

Qualified candidates should complete an application online at our sister company's website: www.mcl.bz/careers.

Only applications submitted online will be accepted.
