

D2L - Credo embeds continued...

The screenshot shows the D2L 'Table of Contents' interface. On the left is a sidebar with navigation options: Overview, Bookmarks, Course Schedule, Table of Contents (with a '3' badge), Background Information (with a '1' badge), Citations and Academic Integrity (with a '1' badge), and Academic Integrity Lesson & Quiz (with a '1' badge). Below these is an 'Add a module...' input field. The main content area is titled 'Table of Contents' and includes 'Print' and 'Settings' icons. It features buttons for 'Import Course', 'Bulk Edit', and 'Related Tools', along with 'Expand All' and 'Collapse All' options. The content is organized into sections: 'Background Information' and 'Citations and Academic Integrity'. The 'Background Information' section contains a 'New' button, an 'Add Existing Activities' button, and a 'Bias' activity (marked as a 'Web Page' and checked). An orange arrow points to the 'Bias' activity. The 'Citations and Academic Integrity' section contains another 'New' and 'Add Existing Activities' button, and a 'Quiz: Academic Integrity' activity (marked as an 'External Learning Tool' and checked).
