

## Spread **LOVE** Bunting

- Print and cut apart the blank bunting flags on the next page. Print enough for each student and a few extra ( in case anyone feels extra kind and so you can create some examples).
- Print the band to the left if you'll be gifting stacks of bunting flags. Just cut it out and wrap it around the stack, securing the back with tape.
- The tops of the flags can be folded down over a ribbon for hanging like a garland or they can be pinned directly to a bulletin board or wall.
- Share photos of your finished creations with @Tales2go on Instagram and Twitter!
