GRIT
FREEDOM CHAIR

The mobility to be yourself.

The GRIT Freedom Chair is a revolutionary off-road wheelchair that puts you in control of your own mobility. The unique lever system amplifies your power, giving you the strength you need to start moving beyond the pavement.

From everyday adventures with friends and family to trips off the beaten path, the trail-rated Freedom Chair helps you move with confidence and independence.

Rugged and versatile, the Freedom Chair is the perfect everyday and travel companion. Its packable frame and small footprint let you go where you want, when you want.

Live your best life with the GRIT Freedom Chair.

Jenny
Outdoor enthusiast living
with MS in Seattle.

You are powerful

With its patented easy-push lever drive, the GRIT Freedom Chair amplifies your strength to give you the power and endurance to choose your own path. Grassy fields, rocky trails, and sandy beaches are yours to explore.

Easy to push

Grabbing the top of the levers gives you a lot of torque, making it easy to overcome obstacles.

Stay energized

Grabbing the bottom of the levers lets you cruise efficiently on sidewalks, bike paths, and roads.

50% more torque

than regular wheelchairs

80% faster

than regular wheelchairs

Adventure junkie living with
a progressive illness in Utah.

Blaze your own trail

The Freedom Chair was designed from the ground up to handle any terrain. High traction mountain bike wheels and a stable tripod frame let you adventure with confidence, wherever the path may lead.

The 9" inflatable front wheel rides smooth and never gets stuck.

3" regular wheelchair
caster for comparison

The 1.75" wide mountain bike wheels give you traction when you need it the most.

1" regular wheelchair rear
wheel for comparison

marathons in Texas.

Always be ready for adventure

With quick-release everything, the Freedom Chair makes it easy for you to get to the trailhead. The rear wheels, seat back, and footrest are removable in less than a minute and fit into the trunk of most small cars. Reassembly is easy and tool-free, so you can start adventuring right away.

The weight of the heaviest part is 25 lbs.

Do what you love

The Freedom Chair is the most versatile mobility device you'll ever buy. It's unmatched on the trail but small enough to visit your favorite coffee shop. Explore the woods, cruise around town, relax on the beach, compete in a 5K race, and more. Where will the Freedom Chair take you?
