

SoFi Training 26th of September 2019

Join us at the Nordic SoFi Training for a day focused on improving data workflow and communication of data. Through client presentations, discussion of experiences and latest software tips and tricks, you will learn more about SoFi, its capabilities and how to leverage it as effectively as possible.

Make sure you get the most out of the day by sharing with us any specific topics that you would like us to cover, and we will aim to include those topics as part of the tips & tricks sessions.

Location

- Regus Business Center Rådhuspladsen, Rådhuspladsen 16, 1550 Copenhagen, Denmark

Costs

- All training is offered at a 50% discount compared to regular prices
- SoFi Training is for €350 per person
