

Finding Software For Your Entire Roofing Team

Thinking about investing in software?
Here's why it's a must for your roofing business...

"Businesses that leverage CRM software see sales increase by 29%, sales productivity increase by 34%, and sales forecast accuracy increase by 42%."¹

AccuLynx is CRM software designed to make roofers more money, and supports every role and function of your business.

Roofing Business Owners: See what's happening with your jobs and your bottom line at all times.

"I can look at any job, see how it's progressing, and what needs to happen next. This keeps our business moving forward."

**Stan Robinson, Owner
Pacific West Roofing**

- ✓ Manage all of your teams
- ✓ Get a current and historical view into projects
- ✓ Run reports
- ✓ See which areas need to be optimized

Sales Teams: Focus on the right opportunities so you can close more deals faster.

- ✓ Create estimates and contracts on the spot
- ✓ See where your projects are throughout the entire process
- ✓ Understand your performance and commissions
- ✓ Access information in the field from the mobile app

"65% of sales reps who have adopted a mobile CRM have achieved their sales quotas."²

Production Staff: Gain control over your jobs so your schedules and budgets are always on track.

"Over 40% of workers spend at least a quarter of their work week on manual, repetitive tasks, with email, data collection, and data entry occupying the most time."³

10 Hours / Week

- ✓ Manage multiple company locations from one platform
- ✓ Process material orders through your preferred supplier
- ✓ Schedule your crews and give them the information they need
- ✓ Track permits, supplements and mortgage checks

AccuLynx offers all of these features and more from a single platform, so everyone in your business has access to the tools they need.

40%

AccuLynx customers see nearly 40% sales growth on average
