

Your privacy

We are Door Ventures Inc. Here is a summary of how we protect your data and respect your privacy

How do we use your data?

- So you can use Door's services
- To help us improve Door
- To provide customer support
- To send you marketing material, if you provide consent

What data do we collect?

- Business contact details
- Data that identifies you
- Data on how you use Door

When and how we collect data

We collect data from people browsing our website, using the Door application and customers of Door when:

- You browse any page of our website
- You send us emails with personal data
- You request a demo of Door
- We call you
- You use Door
- You receive emails from us
- You chat with us for customer support
- You opt-in to marketing messages

We use cookies

- We use only necessary cookies to run and improve the service
- Our third party service providers use cookies too, which they control
- You can turn off cookies but this will mean for example that we can't recognise you in in-app messaging or we can't resolve issues so efficiently

Know your rights

- Access information we hold on you
- Opt-out of marketing comms
- Port your data to another service
- Be forgotten by Door
- Complain about us

Third parties who process your data

The following services help Door by storing or processing your data on our behalf

- Communications and marketing: Hubspot
- Infrastructure: Amazon Web Services

If you have any concerns about your privacy at Door, please email us at support@doorfunds.com.
