

A Quick Guide to Seller's Home Warranty Coverage

What's in it for the seller?

Budget protection—against the high cost for repair or replacement of home systems and appliances that become inoperable due to normal wear and use during the coverage period.

Access to qualified contractors—we have a network of service providers you can rely on!

Peace of mind—knowing help is just a phone call away.

Greater return on investment—your home may sell faster and at a higher price!

What's in it for the buyer?

Convenience—Seller's Coverage seamlessly converts to the Buyer's Plan at closing.

Peace of mind—knowing that the seller had the warranty in place to address potential issues with covered systems and appliances prior to closing.

What's covered?

Your home's major systems and appliances:*

- ✓ Heating and air conditioning systems[†]
- ✓ Plumbing
- ✓ Electrical systems
- ✓ Kitchen appliances
- ✓ Much more!
