When You Need Us

It can be inconvenient when a home system or appliance unexpectedly breaks down. When you need service, we are here to provide you with a helping hand and peace of mind. Please take a few moments to become familiar with the Plan and keep it handy, as it will save you both time and money. This entire document explains all the terms and conditions of coverage, with distinct sections to make the Plan easy to understand and simple to use. If you have any questions about coverage, please visit www.orhp.com or contact us directly at **800.972.5985**.

Review the “ABCs of Coverage” to ensure your service issue is covered by the Plan. In accordance with the terms and conditions of the Plan, we will perform services, and repair or replace components, systems and appliances mentioned as covered; we exclude all others. Coverage is subject to limitations.

We will provide service for covered systems or appliances that malfunction, and are reported, during the term of the Plan that:

- A)** Are installed for diagnosis and located within the interior of the main foundation of the home and garage (inside the load-bearing walls of the structure). Systems or appliances located on the exterior or outside of the home (including porch, patio, etc.) are not covered with the exception of items marked with a ♦,
- B)** Were correctly installed and working properly on the effective date of the Plan, and
- C)** Have become inoperable due to normal wear and use (including rust, corrosion, and chemical or sediment build-up), after the effective date of coverage. Pre-existing conditions are not covered.

Coverage may apply to a malfunction which existed at the effective date/transfer of ownership (excludes renewal and non-real estate transaction customers) if, at that time, 1) the malfunction was unknown to the home seller, agent, buyer, or home inspector, 2) the malfunction was undetectable and would not have been detectable by visual inspection or simple mechanical test. A visual inspection of the covered item verifies that it appears structurally intact and without damage or missing parts that would indicate inoperability. A simple mechanical test consists of turning the unit on and off, verifying the unit operates without irregular sounds, smoke or other abnormal outcome.

- ✓ We require you to contact us so we may have the opportunity to select a Service Provider.
- ✓ We will not reimburse you for services performed without our prior authorization.

When you place a service request, we will notify an **INDEPENDENT CONTRACTOR** (Service Provider - who is not an agent or employee of the company) who will contact you directly to schedule a mutually convenient appointment during normal business hours. Under normal circumstances, our service effort will be initiated within 48 hours. Throughout the service effort, we urge you to take reasonable measures to prevent secondary damage (e.g. turning off water to the home in the case of a major pipe leak).

In cases of **EMERGENCY**, we will make reasonable efforts to expedite service, including initiating our service effort within 24 hours. An emergency is defined as a service issue resulting in 1) No electricity, gas, water or toilet facilities to the entire home; 2) A condition that immediately endangers health and safety; 3) A condition that interferes with healthcare support of occupants; and/or 4) A system malfunction that is causing ongoing damage to the home. Other conditions may, at our discretion, be considered an emergency. If you should request non-emergency service outside of normal business hours, you will be responsible for additional fees, including overtime.

If you experience any difficulties during the service process, you can contact the Service Provider or us directly for assistance.

You are responsible to pay a **TRADE (SERVICE) CALL FEE (TCF)** when the Service Provider arrives at your home. The TCF (or the actual cost of service, whichever is less) is due for each dispatched service request by trade (plumbing, electrical, appliance, heating/air conditioning, etc.). Service work is guaranteed for 30 days. **If service is denied, you are not responsible for a TCF. The TCF is due only if service is rendered.** A TCF may be due if you fail to be present at the scheduled appointment time, if you cancel your request once the Service Provider is en route to your home, or you request a second opinion of the Service Provider's diagnosis. Failure to pay the TCF can result in suspension of coverage until such time as the proper fee is paid. At that time, coverage will be reinstated but the term will not be extended. You will be responsible for any fees incurred for collection efforts, if required. We will not respond to a new service request until all previous Trade Call Fees are paid.

To ensure you receive reputable and unbiased service, we have built an extensive network of **SERVICE PROVIDERS** who provide service to our Plan Holders at fair and reasonable rates. Our network, however, is not all inclusive for every trade, in every town, across the nation. For that reason, we may authorize you to contact an Independent Out-of-Network Contractor directly to obtain service.

When we request or authorize you to obtain an **INDEPENDENT OUT-OF-NETWORK CONTRACTOR** to perform diagnosis and/or service: 1) The Contractor must be qualified, licensed, and insured, and charge fair and reasonable rates for parts and service. 2) Once the technician is at the home, and prior to any services being rendered, you must call our Authorization Department with the technician's diagnosis and a breakdown of services required (including parts and labor). Covered repairs or replacements will be authorized if work can be completed at an agreed upon rate. 3) We will provide an Authorization Number for the covered services and dollar amount that we have authorized. Failure to contact us as outlined may result in denial of coverage. 4) Upon completion of the authorized services, the Contractor must provide you an itemized invoice for the authorized charges. 5) You must submit the itemized invoice, including the Authorization Number provided by us, for reimbursement. 6) A Trade Call Fee is due per trade, and will be deducted from any reimbursement provided. 7) You are expected to pay the Independent Out-of-Network Contractor directly for the services rendered and then submit the invoice to us for reimbursement. We accept invoices by fax (800.866.2488), post (P.O. Box 5017, San Ramon, CA 94583-0917) or email to: easyas123@orhp.com.

We have the sole right to determine whether a covered system, appliance or component will be repaired or replaced. We reserve the right to send a second opinion at our expense. We are not responsible for non-covered work performed or non-covered costs.

We reserve the right to provide **CASH IN LIEU** of repair or replacement in the amount of our actual cost. Payment will be provided based on our negotiated rates with our Service Provider and/or Supplier network, which may be less than retail. We are not responsible for work performed once you accept cash in lieu of service. To ensure continued coverage of the system or appliance for which we provide a cash in lieu settlement, either during the current or future term of coverage between you and us, you must provide proof of repair or replacement that meets our reasonable satisfaction. You may send proof to ProofOfRepair@orhp.com.

If we provide reimbursement or cash in lieu of service, our normal processing time, from date of receipt of invoice/your acceptance to the issuance of a check, is approximately two weeks.

Obligations under this Plan Contract are backed by the full faith and credit of Old Republic Home Protection, Co., Inc. Old Republic Home Protection, P.O. Box 5017, San Ramon, CA 94583

Limitations Of Liability

It is important that you understand the Plan coverage as well as its limitations, as it may affect the coverage that will be provided for any service requested.

Coverage is not all inclusive; there may be situations in which you will be responsible to pay additional costs for parts or services not covered by the Plan. In those situations, we will work with you to determine the best course of action to reasonably minimize your out-of-pocket costs.

Items You Should Know

PLAN EFFECTIVE DATES:

Your Plan term (effective and expiration date) will be indicated on the Declaration of Coverage, mailed to you upon our receipt of payment.

We provide coverage for single family residential-use resale and new construction homes less than 5,000 sq. ft., unless amended by us prior to the effective date of coverage. Resale and New Construction homes 5,000 sq. ft. or more, multiple units, mother-in-law-units, guest houses, casitas, and other structures are covered if appropriate fee is paid. Please call for quote. Coverage for homes 10,000 sq. ft. or over is not available. NOTE: Home Seller's Coverage is not available on homes 5,000 sq. ft. or over, multi-unit dwellings, guest houses, casitas, properties not going through a Real Estate transaction, For Sale by Owner properties, and lease-purchase properties.

This coverage is for **residential-use property** only. It does not cover commercial property or homes used as a business, such as: nursing/care homes, fraternity/sorority houses or day care centers.

If this Plan is for a duplex, triplex or four-plex, then all units within the dwelling must be covered by an ORHP Plan for applicable coverage to apply to shared systems and appliances. For cost of Optional Coverage, multiply option cost by the number of units. Common grounds and facilities are excluded.

HOME BUYER'S COVERAGE:

Home Buyer's Coverage is effective for the term indicated on the Declaration of Coverage. Coverage is normally effective upon close of sale. Your Plan effective date and term may vary. **The Plan fee must be received within 14 days after close of sale.** If you take possession prior to close of sale (or obtain possession through rental or lease agreement), the Plan fee is due upon occupancy and coverage will begin upon receipt of Plan fee by ORHP. We offer a 60 day grace period from the close of sale during which you may add Optional Coverage. You must request and pay for Optional Coverage within the 60 day grace period or it shall be conclusively presumed that you do not wish to add additional Optional Coverage. Upon receipt of additional Plan fee, an updated Declaration of Coverage will be issued to confirm the coverage provided. Optional Coverage not selected will be unavailable at time of renewal.

HOME SELLER'S COVERAGE (for listing/closing period):

Seller's coverage is available only in conjunction with the purchase of coverage for Home Buyer. Coverage becomes effective the day the application is received by us, and continues until the expiration of the initial listing period (up to 180 days), close of sale, or listing termination; whichever occurs first. Should close of sale not occur in the 180-day period, we may, at our sole discretion, extend the seller's coverage period. **Pre-existing conditions are not covered for the Home Seller.** Known defects of covered items found at the time of home inspection are excluded from coverage until proof of repair or replacement is received by us. You may send proof to ProofofRepair@orhp.com.

FOR HOMES NOT GOING THROUGH A REAL ESTATE TRANSACTION:

Plans are normally purchased as part of a Real Estate transaction. If you are not involved in a resale transaction, Plan fees, terms or coverage may vary. Please call for a quote. Coverage is effective 30 days following receipt of payment by us. The effective date will be confirmed on the Declaration of Coverage. Optional Coverage cannot be added after the initial payment of Plan fee. **Pre-existing conditions are not covered for homes not going through a real estate transaction.**

Coverage Subject to Terms and Conditions of Coverage summarized herein, and will be contained in the Plan Contract to be mailed to Home Buyer upon payment of Plan fee.
Please see Cancellation and Arbitration clause below.

RENEWALS:

The Plan will be renewed at our discretion. If your Plan is eligible for renewal, we will notify you of the Plan fee and terms of renewal approximately 60 days prior to expiration of coverage. To ensure there is no lapse of coverage, payment must be received prior to Plan expiration. Plan fees may increase upon renewal.

TRANSFER BY PLAN HOLDER:

This Plan is transferable to a new owner. In that event, please notify us.

Cancellation: This Plan is non-cancelable, except for 1) nonpayment of fees; 2) fraud or misrepresentation of facts material to the Plan or a request for service thereunder; 3) upon mutual agreement between you and ORHP; or 4) if you harm or threaten the safety or well-being of ORHP, any employee of ORHP, a Service Provider, or any property of ORHP or of the Service Provider. If Plan is cancelled, you shall be entitled to a pro-rata refund of the paid Plan fee for the unexpired term less service cost incurred and a \$50 processing fee. If a refund calculation results in you owing us for services rendered, we will bill you the net amount due or the unpaid Plan Contract fee, whichever is less.

Arbitration: By entering into this Agreement the parties agree and acknowledge that all disputes they have that involve us, or arise out of actions that we did or did not take, shall be arbitrated as set forth herein as long as the claim is in excess of the applicable small claims court jurisdictional limit. *The parties further agree that they are giving up the right to a jury trial, and the right to participate in any class action, private attorney general action, or other representative or consolidated action, including any class arbitration or consolidated arbitration proceeding.*

All disputes or claims between the parties arising out of the agreement or the parties' relationship shall be settled as follows:

- 1) Small claims court; for claims within the applicable small claims court jurisdictional limit, or
- 2) Final and binding arbitration held in the county of the covered property address (or other location mutually agreed upon by both parties) for claims in excess of the Small Claims Court jurisdictional limit.

The arbitration shall be conducted by the American Arbitration Association pursuant to its rules for consumer disputes. Copies of the AAA Rules and forms can be located at www.adr.org, or by calling 800.778.7879. The Company agrees to pay the initial filing fee if the customer cannot afford to pay the fee or to reimburse the customer for filing fees unless the arbitrator determines that the claim is frivolous.

The parties expressly agree that this Agreement and this arbitration provision involve and concern interstate commerce and are governed by the provisions of the Federal Arbitration Act (9 U.S.C. § 1, et seq.) to the exclusion of any different or inconsistent state or local law, ordinance or judicial rule.
