

WHAT TO DO IF YOU HAVE A COMPLAINT?

1. About Lloyd's

Lloyd's is the world's specialist insurance and reinsurance market, bringing together an outstanding concentration of underwriting expertise and talent. It is often the first to insure emerging, unusual and complex risks.

Around 80 syndicates are underwriting insurance at Lloyd's, covering all classes of business. Together they interact with thousands of brokers daily to create insurance solutions for businesses in over 200 countries and territories around the world.

2. What to do if you have a complaint?

You are entitled to make a complaint to us and/or Lloyd's about any aspect of your relationship with us.

3. Complaints Process

How can we help you?

There are established procedures for dealing with complaints and disputes regarding your policy or claim. All policyholders can take advantage of the complaints service.

Stage 1

Any enquiry or complaint relating to a Lloyd's policy or claim should be addressed to either your Lloyd's insurance intermediary (us) or to the administrator handling your claim in the first instance - in most cases this will resolve your grievance.

They will respond to your complaint within fifteen (15) business days provided they have all necessary information and have completed any investigation required. Where further information, assessment or investigation is required, they will agree to reasonable alternative timeframes with you. You will also be kept informed of the progress of your complaint.

Stage 2

In the unlikely event that this does not resolve the matter or you are not satisfied with the way your complaint has been dealt with, you should contact:

**Lloyd's Australia Limited
Level 9, 1 O'Connell St
Sydney NSW 2000**

**Telephone: (02) 8298 0783
Facsimile: (02) 8298 0788
Email: ldraustralia@lloyds.com**

When you lodge your dispute with Lloyd's, they will usually require the following information:

- a) Name, address and telephone number of the policyholder;
- b) The type of insurance policy involved;
- c) Details of the policy concerned (policy and/or claim reference numbers, etc);
- d) Name and address of the insurance intermediary through whom the policy was obtained;
- e) Details of the reasons for lodging the complaint;
- f) Copies of any supporting documentation you believe may assist Lloyd's in addressing your dispute appropriately.

Following receipt of your complaint, you will be advised whether your dispute will be handled by either Lloyd's Australia or the UK Complaints team at Lloyd's:

- I. Where your complaint is eligible for referral to the Australian Financial Complaints Authority (AFCA), your complaint will be reviewed by a person at Lloyd's Australia with appropriate authority to deal with your dispute.
- II. Where your complaint is not eligible for referral to AFCA, Lloyd's Australia will refer your complaint to the Policyholder & Market Assistance Department at Lloyd's, who will then liaise directly with you.

4. How long will the Stage 2 Process take?

Your complaint will be acknowledged in writing within five (5) business days of receipt, and you will be kept informed of the progress of Lloyd's review of your complaint at least every ten (10) business days.

The length of time required to resolve a particular dispute will depend on the individual issues raised, however in most cases you will receive a full written response to your complaint within fifteen (15) business days of receipt, provided Lloyd's have received all necessary information and have completed any investigation required.

5. External Dispute Resolution

If your complaint is not resolved in a manner satisfactory to you, you may refer the matter to AFCA. AFCA can be contacted by post GPO Box 3, Melbourne VIC 3001 or phone 1300 565 562, www.afca.org.au

AFCA is an independent body that operates nationally in Australia and aims to resolve disputes between you and your insurer. Your dispute must be referred to AFCA within two (2) years of the date of Lloyd's final decision. Determinations made by AFCA are binding upon us.

6. How much will this procedure cost you?

This procedure is free of charge to policyholders.
