WHISTLEBLOWER HOTLINE

“*The Whistleblower Hotline is a completely anonymous and confidential service, where employees, contractors, suppliers and customers can notify of suspected or actual fraudulent behaviour, 24 hours a day, 365 days a year.*”

With an estimated annual cost of \$8.5billion*, fraud is now a mainstream threat facing Australian businesses. In addition to insuring exposures to crime, fraud and theft, DUAL has negotiated a dedicated whistleblower hotline for our Insureds. This valuable service is provided by PKF Forensic and Risk Services, who are one of the largest independent fraud hotline companies in Asia Pacific, helping organisations prevent, and blow the lid on, corrupt and criminal behaviours.

Once PKF Forensic and Risk Services receive contact from a whistleblower, they will notify the nominated Key Contact Persons disclosed by the Insured in the Proposal Form. The whistleblowers identity will be kept confidential.

WHISTLEBLOWER HOTLINE

Case Study :

A whistleblower contacted the Hotline providing fragmented information which ultimately led to the discovery of a longstanding scheme to defraud the organisation by a senior executive. The fraudster had manipulated inventory and assets through a third party supplier, and received personal bribes from a range of suppliers.

The Whistleblower Hotline provided an anonymous forum for the information to be shared, and allowed the organisation to obtain the information and uncover the fraud.
