

PROPOSAL FORM: DIRECTORS PERSONAL ACCIDENT & SICKNESS

IMPORTANT NOTICE RELATING TO THIS PROPOSAL

PLEASE READ THE FOLLOWING ADVICE BEFORE PROCEEDING TO COMPLETE THIS PROPOSAL FORM

Your Duty of Disclosure

Before you enter into a contract of general insurance with us, you have a duty under the Insurance Contracts Act 1984, to disclose to us every matter that you know, or could reasonably be expected to know that may be relevant to our decision whether to accept the risk of the insurance and, if so on what terms. The duty of disclosure is different depending on whether it is a new policy or not.

Where you are renewing a contract of insurance we may request you answer one or more specific questions relevant to our decision in relation to the policy and/or we may give you a copy of any matters previously disclosed by you in relation to a previous contract of insurance you held with us and request you to disclose to us any change to those matters or confirm that there is no change. Again in such circumstances you must tell us everything you know or could be reasonably expected to know, in answer to such requests.

It is important that you understand you are answering the questions for yourself and anyone else to whom the questions apply.

Your duty, however, does not require disclosure of any matter:

- a) that diminishes the risk to be undertaken by us;
- b) that is of common knowledge;
- c) that we know or, in the ordinary course of its business, ought to know; and
- d) as to which compliance with your duty is waived by us.

This duty continues after the proposal form has been completed up until the time the policy is issued by us.

When answering any questions asked by us in our proposal or renewal form you must answer them honestly and completely. We will rely on the answers provided by you in deciding whether to insure you and anyone else to be insured under the policy and on what terms.

If you do not answer our questions in this way, we may reduce or refuse to pay a claim or cancel the policy. If you answer our questions fraudulently we may refuse to pay a claim and treat the policy as never having commenced.

Non-Disclosure

If you fail to comply with your duty of disclosure, the Insurer may be entitled to reduce their liability under the contract in respect of a Claim or may cancel the contract. If your non-disclosure is fraudulent, the Insurer may also have the option of avoiding the contract from its beginning. It is therefore vital that you make sufficient enquiries BEFORE you complete your proposal form and BEFORE you sign any declaration that there has been no change in the information proposed. Please take notice of the following statements pursuant to the provisions of the *Insurance Contracts Act 1984 (Cth.)*.

Surrender or Waiver of any Right of Contribution or Indemnity

Where another person or company would be liable to compensate you or hold you harmless for part or all or any loss or damage otherwise covered by the policy, but you have agreed with that person either before or after the inception of the policy that you would not seek to recover any loss or damage from that person, you are NOT covered under the policy for any such loss or damage.

Notice of Occurrences or Events

If during the period of this policy, the Insured shall become aware of any occurrence which may give rise to a Claim under the policy and shall during the period of this insurance given written notice to the Insurer of such occurrence, any Claim which may be subsequently made arising out of the occurrence of which notification has been given shall be deemed to be a Claim made during the period of this policy whenever such Claim may actually be made.

Contract by the Insured Affecting Rights of Subrogation

If the proposed contract of insurance includes a provision which excludes or limits the Insurer's liability in respect of any loss because you are a party to an agreement which excludes or limits your rights to recover damages from a third party in respect of that loss, you are hereby notified that signing any such agreement may place your indemnity under the proposed contract of insurance at risk.
