

DUAL WEBRATER PROFILE

What is the WebRater?

DUAL has launched an online platform, the WebRater, which allows brokers to quote and bind new business and renewals in less than 2 minutes, 24 hours a day, 365 days a year. With full policy life cycle functionality the WebRater has 8 available products to choose from.

Why should you use it?

1. **Multiple product selection:** enter the clients basic information ONCE and select all available products for that occupation.
2. **Broad product range:** quotations for 8 different products now available online.
3. **Competitive pricing:** DUAL's most competitive pricing on WebRater risks.
4. **Broad appetite:** instant quotations for a broad range of SME businesses.
5. **Full policy life cycle:** 2 minutes to quote and bind online and obtain instant policy documents.
6. **Dedicated service:** our team is dedicated to servicing this business.

What does the WebRater provide?

The WebRater is available for the following 8 products:

- Association Liability
- Cyber Liability & Privacy Protection
- Employers Liability
- General Liability
- Information Technology
- Management Liability
- Professional Indemnity
- Statutory Liability

Create a quote & bind a policy in less than 2 minutes!

Why DUAL?

- The WebRater is designed to improve broker margins on SME business.
- Brokers can choose a common renewal date on the WebRater.
- On renewal, if your clients information has changed you can amend the information in the WebRater and obtain a revised quote.
- Brokers can net or reduce their commission on the WebRater.
