## BD Eclipse™ Safety Needles and Syringes

The safety mechanism activates with a single finger stroke immediately after injection—no hard surface is required. The wide, textured finger pad provides safe activation for the thumb or forefinger.

## BD SafetyGlide™ Safety Needles and Syringes

BD SafetyGlide™ products feature single-handed activation that allows for ease of use and minimal training. BD Activation-Assist™ technology minimizes the finger motion required for activation and keeps fingers behind the needle tip.

## BD Integra™ Safety Needles and Syringes

The needle retracts into the syringe, which eliminates exposure to the needle after activation. The clinician immediately activates the retracting mechanism after the needle is withdrawn from the patient.

### Rules and eligibility:

1. Promotion runs between Aug. 1, 2019 to Dec. 31, 2019
2. You don't have to purchase all boxes at once. Multiple invoices that reach the total qualifying boxes purchased should be submitted at one time using a single claim form.
3. All invoices must be received no later than January 31, 2020.
4. Packing slips are NOT acceptable.
5. Free offers are limited to 10 free boxes (needles and syringes) per customer location.
6. Each free goods redemption must meet the minimum required product purchase by catalogue number. Purchases are not limited to one catalogue number; however, the free item must have the same catalogue number as one of the qualifying purchased items.
7. The promotion is limited to catalogue numbers listed on the reverse side.
8. Wholesalers, distributors, acute care and customers accessing group purchasing contracts are not eligible for this program.

### How to redeem your free product:

1. Fill out the information on this form.
2. Submit form and invoice(s) to [CanadaFlu\\_Program@bd.com](mailto:CanadaFlu_Program@bd.com)
3. BD will mail your free product. Customers will receive their product within 2–3 weeks.
