Branding easy to create and sell.

We offer

2 MOBILE PLATFORMS

1,000 USES

TEXT MESSAGE (SMS) COMMUNICATION PLATFORM

- Texts always get read, unlike email — cut through communication clutter
- Include links to mobile web sites
- Push images or GIFs for more engagement
- Works in every country
- Users can “opt in” to a variety of lists
- Schedule texts based on calendar date or a sequence based on when list was joined

RESPONSIVE MOBILE WEB PLATFORM

- Provide access to any content via a phone, tablet or desktop
- Available anywhere in the world
- No downloads
- No I.T. involvement required
- Drag-and-drop simple creation of mobile pages
- Secure site with pass word-protected content, if needed
