

Fancy a beautiful classic weatherboard home built new with all the timeless finishings? With a modern layout, high ceilings and overhead windows allowing plenty of natural light to spread throughout all living areas, this home offers more than the older classics. Grocery shopping is even a breeze - straight from the car and into the scullery. Other features are the double separate living, modern bathroom, large bedrooms, study nook and an outdoor fire option.

Floor Area: 252m<sup>2</sup>
