- Graduate Health Professional Education Consortium Facilitation Update
- Health Care Workforce Learning/Re-Learning Curriculum Development and Implementation Update
- Workforce Capacity Planning: Development of a Sustainable Planning Model
- Pipeline Projects and Timeline
- Next Steps
- Public Comment

SUMMARY OF DISCUSSION

- Committee members were briefed on recent work from the University of Delaware and Health Team Works regarding the health care workforce learning and re-learning curriculum.
- The first module of the health care workforce learning/re-learning curriculum is scheduled to launch in December.
- Committee members dedicated a majority of the discussion to the development of a sustainable workforce capacity planning model. Discussion revolved around data elements and sources to leverage, desired analyses, and an identification of stakeholders responsible for conducting the work moving forward.

NEXT STEPS

- Write first draft of the workforce capacity planning consensus paper
