

SPEAR CURRICULUM

Spear's Defined Path to Reach Your Practice Goals

THE PATH TO SUCCESS IS OFTEN UNCLEAR.

When you define the path, you can achieve your goals.

THREE KEYS TO GETTING THERE:

1 LEAN ON THOSE WHO HAVE MADE THE JOURNEY.

Experts can help you define your path. At Spear, our Resident Faculty utilize their extensive experience to guide you.

2 USE ONLY WHAT YOU NEED, AND NOTHING YOU DON'T.

Learn more efficiently on your journey toward achieving your goals.

3 TEACH THE WHOLE GROUP — IN SMALL DOSES.

Expect greater outcomes for everyone involved when your entire team is on board and learns a little bit at a time.

EDUCATION WITH PURPOSE FOR THE BUSY PRACTICE

Curriculum is the newest upgrade to Spear Online consisting of whole-office learning paths curated by Spear Resident Faculty to help the doctor and team learn together in manageable chunks and implement key concepts. Master core concepts to help you grow your practice, boost case acceptance, and create better office cohesion.
