

Maximize Your Efficiency With Tech+ Document Imaging

Your business' success depends on your ability to quickly adapt to an ever-evolving technological landscape.

Printing can cost up to 3% of your company's annual revenue- that's the third highest expense after payroll and rent.

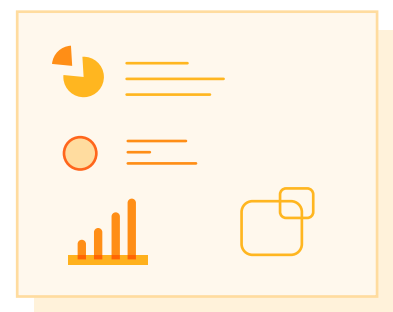

Convert your documents into digitized records to be stored in the cloud.

To help your business maximize efficiency and save on unnecessary costs, **Tech+ Document Imaging offers:**

- ✓ Worry-free meter readings
- ✓ Mobile printing for workspaces
- ✓ Rapid, remote resolution of equipment issues
- ✓ Real-time supply monitoring and fulfillment
- ✓ Fixed rates with no additional costs
- ✓ Latest firmware updates
- ✓ Proactive and scalable solutions
- ✓ Customized cloud workflows

Office1 partners with your business to prescribe a customized document imaging solution that leads to increased profits for your business.
