HUD Archives ConnectHome Webcast for Viewing on Demand

Last Friday on the [HUD Exchange channel](#) at [YouTube](#), HUD archived a webcast as part of its series of training webinars on the [ConnectHome](#) initiative. The [45-minute webcast](#) discusses Cox Communications’ affordable internet offer, Connect2Compete, detailing recent efforts to support residential customers during the COVID-19 pandemic and plans to continue to expand digital access and literacy afterwards. The webinar was held on Tuesday, May 19, 2020. You can find materials and resources relating to the webcast on [this page](#) at [HUD Exchange](#).

As you know, the webinar series is meant to serve as guidance to help ConnectHome participating communities achieve their goals in connecting households to broadband and assisting communities in their digital inclusion and digital literacy efforts. As such, the series is relevant for PHA staff and community members responsible for ConnectHome program implementation.
