PIH Reminds PHAs to Submit HUD-52723 and HUD-52722 Excel Tools

In an email to executive directors this morning via HUD’s Financial Management Division (FMD) [mailing list](#), HUD’s Office of Public and Indian Housing ([PIH](#)) reminded that PHAs must provide their complete HUD-52723 and HUD-52722 Excel tools for the calendar year (CY) 2020 to their field office by **March 3, 2020**.

HUD calculates PHA’s operating fund grant eligibility for the remainder of CY 2020 from the submitted Excel tools. PHAs that submit their Excel tools late create delays in being funded based on their actual eligibility and, as a result, experience wider changes in their monthly obligations.

As of 2019, the Excel tools and user guides are available only through the [operating fund web portal](#). Access to the portal may be requested through the agency’s WASS coordinator. Questions may be directed to [REAC](#).
