Online Fundraising Platform for FFA and FFA Alumni and Supporters

How long can our fundraiser run?

There is no time limit. Remember that the higher your goal is, the more time you'll need.

What is the cost for starting a fundraiser?

There is no cost to set up your customized fundraising site, just a flat \$4 fee per donation (\$3 of which is paid by the donor as a service fee) and a credit card fee per donation (2.9% plus \$.30/donation).

Is there a limit on the number of fundraisers our club can run?

No. But we recommend that you only run one at a time. You don't want to wear out your family and friends' generosity.

Can we track our progress?

Yes. For your active campaign, you'll be able to see how many donors have helped you, donation amounts and your real-time progress toward the goal.

How do we receive our funds?

All funds will be deposited electronically into the bank account of your school, or other sponsoring organization (minus credit card and vendor processing fees). When your club leader activates your fundraising page, he or she will input this banking information.

Once my donors have given, how do they receive their thank you gift?

Donors receive a thank you email with easy instructions on how to log in and register for the discount network. It includes print-and-save coupons at 300,000 merchants

and over 200,000 show-your-phone-and-save mobile coupons. Donors can use this discount network for six months after registering.
