

## A vibrant collage of global landmarks and travel-themed elements. At the base is a brown, worn suitcase adorned with numerous travel stickers from various countries and cities, including Switzerland, Berlin, Hawaii, London, and New York. A white and brown checkered scarf is draped over the suitcase. From the top of the suitcase, a lush green bush grows, from which several world-famous landmarks emerge: Big Ben in London, the Statue of Liberty in New York, the Eiffel Tower in Paris, the Leaning Tower of Pisa, the Colosseum in Rome, and the Spasskaya Tower in Moscow. A red telephone booth and a fan of colorful airline tickets are also visible. The entire scene is set against a white background with a faint, large, stylized 'Travel' text at the top.
