# The Barley Mow, Westminster

Thursday 2<sup>nd</sup> March

## Cognitive Interpretation

Seeing geology before you interpret

Celebrate the start of Spring by joining us for refreshments and listening to a couple of short informative presentations about GeoTeric.

We'll be kicking off with a presentation at 6pm, so feel free to arrive from 5:30pm to sign-in and get yourself a drink to start the evening. Following the presentations, stick around for some food, more drinks and networking.

If you are interested in attending, let us know by emailing [Lynn.Stevenson@GeoTeric.com](mailto:Lynn.Stevenson@GeoTeric.com)
