Orange Tree

We Are Here for You

Because we work with clients that are part of the Critical Infrastructure OTES employers are Workers Essential to Critical Infrastructure during the COVID-19 Response

We are operating at full capacity.

We have passed our internal test of all employees working remote.

Employees are working where they are most comfortable doing so.

We are SOC-II Type II Certified for Security, Confidentiality, and Availability.

We are PBSA-Accredited and have been since 2011.

Court Closures - <https://www.orangetreescreening.com/current-court-closures>.

Monitoring closed counties, providing alternatives, will run "did not obtain counties" once the courts open
