# Replace Your Clarity MSP Connector

Rego's Connector is Ready

Concerns with the out-of-the-box Microsoft Project Connector?  
Looking for enhanced functionality?

You're not alone.

**Rego's MSP Integration is the solution.**

## GREAT PERFORMANCE

Robust import/export handles 10,000 line plans that the OOTB integration struggles with.

## ELIMINATE SYNC ISSUES

Prevent Clarity or MSP from changing dates on you.

## EXCEPTIONAL ERROR HANDLING

No more generic errors. Pinpoint specific data issues.

## CLICK-TO-RUN SUPPORT

## FLEXIBLE IMPORT/EXPORT

Select the tasks you want to save between Clarity and MSP.

**Use MSP and Clarity with Confidence.**
