Let Rego Be Your Guide

# Clarity

Number One Global Reseller.  
Senior Practitioners. Competitive Rates.

## Rego's Core Mission is to Accelerate your Project and Portfolio Investment.

Clarity, the consistent Gartner Magic Quadrant leader, drives strategic insights while empowering best of breed execution.

With more than 200 practitioners, Rego Consulting brings you the collective experience of every industry and type of Clarity configuration.

### Who We Are

Rego provides services to 70% of Clarity's North American user base and is the world's leading reseller and distributor of Clarity and Rally Software®. It's no surprise that organizations rely on Rego's best practices and deep consultative insights to achieve a higher rate of return on their Clarity and Agile investment. We help to accelerate our clients' ROI while maintaining costs that are 20% to 40% less than our competitors.
